Subject : Improper display of Officer Weapon

I R/O entered the building of 001st District in the rear at 1350 hrs. on said date. P.O L. Mangan was coming down the stairs R/O asked her did she pick up her property from 95th st and put in her bags by mistake. P.O. L. Mangan replied by saying she didn't know but follow her to her Vehicle to check her bags. R/O walked to her Vehicle. P.O. Mangan opened the trunk with her automatic key and put her duty belt in the trunk but un-holster her weapon and put it in her hand as she was looking in her bag for my property.

I assumed she was going to put her weapon in a secure place but she keep in it in her hand. I looked at her as she opened the rear passenger side door looked in another bag then she still holding the weapon pointing in my direction went to the driver side rear door and looked in another bag. I then asked P.O. Mangan why do you have your weapon in your hand. Then P.O. L. Mangan looked down at her hand and put the weapon in her coat pocket. I was in fear of My Life and any mistakes of her finger I would have been shot.

R/O notified Sgt. Thomas #2262 of above incident at 1400hrs.
